# What Would You Do If Your Home Closing Was Delayed Or Fell Through At The Last Minute?

This can happen and may cost Home Buyers or Sellers thousands of dollars in unexpected expenses. Unfortunately, the only recourse for most people is to get involved in costly litigation with no certainty they would recover their additional costs.

**Martin Merry & Reid Limited a Registered Insurance Broker**, now provides you with a safer dependable solution. **Canadian Home Shield SafeClose™ Home Closing Insurance\***, provides you with coverage for irrecoverable extra costs resulting from unforeseen delays or failures in your home closing. As a client of **RealProperty®** under this program, you will be provided with up to \$25,000 in coverage for up to 180 days from the original closing date. To qualify for coverage, client's confirmation of representation and complete copy of agreement must be received by **RealProperty®** within 20 days of the firm date of the transaction.

Below are some examples of extra costs which may arise:\*

• **Legal Fees • Moving and Storage • Temporary Accommodations • Living Expenses • Bank Charges and Interest • Mortgage and Interest Payments**

Best of all, by arranging to provide this coverage **RealProperty®** is giving you the protection, peace of mind, confidence and security you need when buying or selling a home.
